My outward actions towards others matter. I can meet the needs of others, just as Jesus met the needs of those who asked for His help through healings, feeding, and prayer. How is Jesus calling you to make an action toward others so you can be Christ like to them?

I am called to evangelize and to share my faith with others by sharing who Jesus is and what He means to me. Who am I being called to evangelize? How can I share with others about how I met Jesus? Write a brief story about when and where you met Jesus, how it changed your life in that moment, and how you live differently today.

I am called to live for Christ. How can I model holiness more? How can I make better decisions that lead me closer to Jesus? Talk to Jesus about ways you want to grow in holiness, and make a plan to go to Confession in the near future.
